The Sunsetters Drum & Bugle Corps

The Sunsetters Drum and Bugle Corps was formed in late 1966 by a group of local citizens interested in drum-corpsing as a worth-while hobby for the young people of this area. Although the Corps is unsponsored, it is backed by its parent organization, the Clatsop County Drum and Bugle Corps Association, Inc. There are 29 members in the Guard and 28 in the Drum and Bugle Sections. Their appearance in tonight's contest marks the second appearance of the full Corps in their category. The Color Guard has competed in the Flamingo Opti-Rama, Sentinels' Brazen Brass, Lancers' Big Sound and the American Legion State competition. The full Corps has appeared in many parades throughout the County, the American Legion State Competition and the Shamrocks' Music in Motion contest. The Corps is open to all boys and girls of Clatsop County, ages 10 through 20. The Sunsetters Directors and members thank all of the firms, organizations and individuals throughout the County who have helped them with their contributions and by their support of the various money-making projects the Corps has undertaken. Thanks to the Northwest Association members for their assistance, to Bruce Plumb and the Royal Lancers for their help and encouragement, and to Michael Fehler and Larry Marshall of the Lancers for giving of their time to instruct the drum and bugle sections.

RANGERS DRUM & BUGLE CORPS

The Rangers were organized in November of 1963 by the late Lee Allen and a group of interested parents. They started competition in 1964 and have been active since that time. The Corps is sponsored by their parents and many service clubs, business people and citizens in Umatilla County. Last year, the Rangers traveled some 2500 miles to represent greater Eastern Oregon. The Corps members are from the cities of Hermiston, Echo, Pendleton, and Athena. In 1967, the Rangers were appointed the official drum & bugle corps for the Secretary of State, State of Oregon, by Mr. Clay Myers, and the Corps carries the official State flag presented to the Corps by Mr. Myers in all performances. The Corps is in the process of rebuilding the drum and horn lines and numbers 40 girls and boys from the ages of 10 through 19.

FLAMINGOS DRUM & BUGLE CORPS

Organized in April 1962, the Flamingos have grown from 20 to 70 members. There are 35 in the Corps proper and 35 girls in the two Color Guards. They proudly represent their Capitol City and sponsor, the Salem Elks Lodge No. 336, and the Breakfast Optimist Club of Salem. They traveled well over 4,500 miles this past year performing in Oregon, Washington and Canada. The Flamingos won many honors in 1968, including being the Northwest "B" Division Co-Champions and 1st places at Fort Vancouver and Pasco Water Festival Competitions. The "A" Color Guard won their third consecutive Station Legion Color Guard Championship. These young people not only work hard at bettering their performances, but also at raising funds to support their activities. They receive a great deal of help from a very active Parents Club that helps to host the Flamingos own Northwest Competition held annually in January. Their aim is to build and seek greater achievements, hoping to be worthy of a National contest.

TITANS DRUM & BUGLE CORPS

The Titans Drum & Bugle Corps of Kitsap County is the newest Corps in the Northwest. The Corps was formed in November, 1968, and in a little more than five months time, became effectively competitive. They won first place awards in their division in the Brazen Brass, Sound-Off, Vancouver's 4th of July, and Music in Motion contests, and 2nd place in the Big Sound contest, earlier this season. The Titans have 65 marching members; a fine beginning for a young, enthusiastic, growing Corps. They are sponsored by the Fred Needham Post No. 2669, Veterans of Foreign Wars, Port Orchard, Washington, and the Manette Peninsula Post No. 68, American Legion, East Bremerton, Washington.

ROYAL LANCERS DRUM & BUGLE CORPS

The Lancers are in their sixth year of existence and their third year competing in the "A" category. They have won the American Legion Oregon State Championship in 1964, 1966, 1967, 1968 and 1969. The Lancers have competed throughout the Northwest, Canada and California, having just returned from a tour of California this month. In 1967, the Corps was incorporated as a non-profit Oregon Educational Institution. Last year, the Lancers had a budget of $16,000, which was spent on horns, drums, rifles, flags, uniforms, traveling expenses and the many other things that it takes to run a successful drum corps. The Lancers, whose colors are red, white and blue, are looking for support from people who are interested in helping a group of young people who have in common an interest in good drill marching, good music, good citizenship and in being of service to their community. They are supported full time by their parents and friends of the Lancers Boosters and are co-sponsored by Post No. 1, American Legion, Portland Post No. 165, American Legion, 41st Division, and Post No. 6, American Legion, Hillsboro.

HAWKS DRUM & BUGLE CORPS

The Hawks, 1968 Northwest Association "B" Division co-champions, were originally founded by the Hawthorne Boosters in 1959 as an all boy corps. The Corps was later taken over by the Department of Oregon, Veterans of Foreign Wars, who is the present major sponsor. Three years ago, the Corps added girls to the color guard and along with recruiting the Corps has grown to 75 members. The Hawks have been helped in their growth by the corps parents and an active booster club. The Hawks went into the "A" division this year and are currently competing there. At the American Legion State contest this year the Hawks came in second, but the musicianship and potential is there as evidenced by the numerous individual and quartet awards. The Hawks put on their own show "Sound Off" — '69 in July, and wish to thank everyone for making it a success.
